NOTICE TO SHAREHOLDERS OF THE SUB-FUND
MIROVA CLIMATE EQUITY

*Capitalized terms used herein and not otherwise defined are defined as set forth in the prospectus of the SICAV (the "**Prospectus**").*

Luxembourg, 15 May 2026

Merger of Mirova Funds - Mirova Climate Equity, a sub-fund of the SICAV, into Natixis International Funds (Lux) I - Mirova Thematic Climate, a sub-fund of Natixis International Funds (Lux) I, a Luxembourg UCITS.

Dear Shareholders,

The board of directors of the SICAV intends to proceed to the merger of the sub-fund Mirova Climate Equity (the "**Merging Sub-Fund**"), a sub-fund of the SICAV into Mirova Thematic Climate (the "**Receiving Sub-Fund**"), a sub-fund of Natixis International Funds (Lux) I ("**NIF (Lux) I**"), another Luxembourg UCITS (the "**Merger**"), subject to the approval of the shareholders of the Merging Sub-Fund (the "**Shareholders**").

The SICAV and NIF (Lux) I are both established as SICAVs and authorized as UCITS under Part I of the law of 17 December 2010 relating to undertakings for collective investment (the "**2010 Law**"), and both have Natixis Investment Managers International as management company and MIROVA as investment manager (the "**Investment Manager**").

The contemplated Merger aims at providing shareholders of the Merging and Receiving Sub-Funds with the best possible value proposition by merging the Merging Sub-Fund in the Receiving Sub-Fund which benefits from stronger historical performances and better perspective of growth.

In accordance with article 25 of the articles of incorporation of the SICAV, Shareholders are hereby convened to a general meeting of Shareholders in order to approve and decide on the effective date of the Merger. Shareholders may find the convening notice in **Appendix I** to this notice.

A comparison of the characteristics of the Merging and Receiving Sub-Funds is contained in **Appendix II** to this notice.

If approved by the Shareholders, the Merger will consist of the transfer of all the Merging Sub-Fund's assets and liabilities, including any accrued income, to the Receiving Sub-Fund in exchange for the issue of shares in the Receiving Sub-Fund to the shareholders of the Merging Sub-Fund, with a simultaneous cancellation of their shares in the Merging Sub-Fund.

As a result of the Merger, the Receiving Sub-Fund will hold the assets and liabilities currently held by the Merging Sub-Fund. The Merging Sub-Fund will cease to exist as a result of the Merger and will thereby be dissolved on the Effective Date (as defined below) without going into liquidation.

On the Effective Date, shareholders of the Merging Sub-Fund will receive shares of the Receiving Sub-Fund (the "**New Shares**"). The number of New Shares to be issued will be based on exchange ratios calculated in accordance with the valuation principles attributable to the valuation of assets and liabilities in the Receiving Sub-Fund and the Merging Sub-Fund, respectively. Any accrued

income in the Merging Sub-Fund will be included in the net asset value calculations and will form part of the assets being transferred to the Receiving Sub-Fund. The exchange ratios applicable to the issuance of New Shares of the Receiving Sub-Fund will be calculated by dividing the net asset value per share of the relevant class of shares of the Merging Sub-Fund by the net asset value per share of the relevant class of share of the Receiving Sub-Fund as at the Effective Date.

Since the reference currency of the Merging Sub-Fund and the Receiving Sub-Fund is different, an exchange rate will need to be applied in order to calculate the number of shares of the Receiving Sub-Fund to be issued on the Effective Date in exchange for such existing shares of the Merging Sub-Fund.

You will find below the comparative table between Merging Sub-Fund/Receiving Sub-Fund' shares, respectively New Shares:

Shareholders who no longer wish to hold shares of the Merging Sub-Fund and hence participate to the Merger may redeem their shares free of charge, in accordance with the provisions of the Prospectus until 17 June 2026 at 1.30 p.m. (Lux time). Shareholders who will vote against the contemplated Merger or who will not vote and who will not make use of their rights to redeem their shares free of charges will become shareholders of the Receiving Sub-Fund if the Merger is approved at the Meeting.

Subject to the approval of the Shareholders, New Shares in the Receiving Sub-Fund to be allocated to shareholders of the Merging Sub-Fund as part of the Merger will be free of any initial sales charge, redemption fee or switching commission.

For the smooth running of the Merger, subscription, redemption and/or conversion orders on the Merging Sub-Fund will be discontinued as from five (5) Business Days prior to the Effective Date. The passages of orders restart as from the Effective Date according to the terms of subscriptions, redemptions and/or conversions indicated in the prospectus of NIF (Lux) I.

The Merger is planned to be effective on 25 June 2026 (the "**Effective Date**"), such date being confirmed during the Meeting, with the calculation of the exchange ratios as of the Effective Date.

Natixis Investment Managers International, the management company of the SICAV and of NIF (Lux) I, does not intend to undertake a rebalancing of the Merging Sub-Fund's portfolio before the Merger takes effect. There is no performance fee in the Receiving Sub-Fund. Performance fees, if any, in the Merging Sub-Fund will be accrued in the net asset value per share before the Merger and paid to the Management Company.

All legal advisory and other administrative costs and expenses related to the preparation and completion of the Merger shall be borne by Natixis Investment Managers International.
