WEBSITE NOTICE TO THE SHAREHOLDERS OF THE FUND

19 May,2026

Dear Shareholder,

We are writing to you, in your capacity as shareholder (a "**Shareholder**") of the Fund and of its sub-fund **Natixis Multi Private Assets Navigator** (the "**Sub-Fund**"), to inform you of a series of amendments to the provisions of the Fund’s prospectus (the "**Prospectus**") which are mainly listed below.

Capitalised terms not otherwise defined herein shall have the meaning ascribed to such terms in the Prospectus.

The main changes are the following:

1. change to gain flexibility in the management of the Sub-Fund, with this amendment having no Adverse Effect on the Sub-Fund and on the Shareholders: deletion of the constraint to invest “mainly” in Underlying Funds managed or advised by Affiliates or members of BPCE Group within the section "Investment Objective" of the Sub-Fund Supplement, which does not affect the fund selection framework, which continues to aim for efficiency in terms of risk adjusted performance (different strategies, different investment managers, broad diversification of assets, sectors and geographies);
2. changes to complete provisions as regards transfers of Shares to a holder invested through life insurance contracts:
 - a. the definition of “Institutional Investor” in the Prospectus and the section “Transfers” of the Sub-Fund Supplement, where it is further specified that transfer of Shares to a holder invested through life insurance contracts will not be permitted for Class I Shares reserved for Institutional Investors;
 - b. the section “Conversions” of the Sub-Fund Supplement, where it is further specified that transfer of Class N1 Shares to a holder invested through life insurance contracts shall be automatically converted into Class R Shares upon such transfer;

3. clarifications to address ambiguities:
 - a. the definition of “Institutional Investor”, where it is clarified that it covers only professional investors;
 - b. the section 12.2 “Other documents and information available” of the Prospectus, where more details are added to the type of information that any investor may obtain by electronic means;
 - c. the section “Distribution Costs” of the Sub-Fund Supplement is clarified regarding the service fee and the Subscription Fee (as such term is already defined in the Sub-Fund Supplement) that may be payable to the sub-distributors;
 - d. the term “*Distribution Fee*” is replaced with “*Distribution Costs*” in section 10.4 “Distribution Costs” (as renamed) of the Prospectus and in section “Distribution Costs” of the Sub-Fund Supplement for consistency.
4. change to the presentation of fees: deletion of the maximum percentage for Distribution Costs expressed in the table under Annex I (1. Share Classes) of the Sub-Fund Supplement, as this deletion has no consequences on the percentages of the overall cost ratio and the Management Fee expressed in the table under Annex I (2. Cost related to each Share Class);
5. updates of the Indirect Management Fees and the overall cost ratio indicated in the table Annex I (2. Cost related to each Share Classe); and
6. some other minor amendments.

Such amendments to the Prospectus are non-material, *i.e.*, not of a nature to affect the Shareholders’ interests or impact the basis on which they made their existing investment. None of these changes have an impact on your investment, but these modifications must be done to correct the current errors.

Please note that these amendments do not require your consent but are set out for your information only.
