**Natixis International Funds (LUX) I - Loomis Sayles Institutional Global Corporate Bond Fund**

Please be advised that the Loomis Sayles Sustainable Global Corporate Bond Fund merged into the Loomis Sayles Institutional Global Corporate Bond Fund on 8 September 2020. The merger was voted by the Extraordinary General Assembly held on 1<sup>st</sup> September 2020 upon the proposal of the Board of Directors of the Sicav. It is due to an economic rationalization of the range of sub-funds of the Sicav and to the fact that both funds have a very similar objective, investment policy and investment universe. If you have any question regarding the merger, you may contact your usual relationship manager.
