**The Unit class is not registered in Germany.*

We wish to inform unitholders of the Ostrum Convertibles Europe (hereinafter the “**Fund**”) that as of 30 September 2020, the equity securities management activities carried out by Ostrum Asset Management (hereinafter “**Ostrum AM**”) will be transferred to DNCA Finance, a management company approved by the AMF (*Autorité des Marchés Financiers* — the French financial markets authority) and a subsidiary wholly owned by Natixis Investment Managers.

Therefore, Natixis Investment Managers International, the Fund’s lead management company, will delegate the Fund’s financial management to DNCA Finance instead of Ostrum AM, but the management objective, investment process, management team and management fees will remain the same.

In addition, the name of the fund will be amended to reflect the change in financial delegation and will become DNCA Convertibles Europe.

This change in management falls under the project to merge the fixed-income and insurance management activities of Ostrum AM and La Banque Postale Asset Management announced in December 2019, marking the creation of a European leader, with more than €415 billion of assets under management (at the end of May 2020) on behalf of large institutional clients.

As part of this project, Ostrum AM’s equity securities management will be realigned with the multi-affiliate model of Natixis Investment Managers on 30 September 2020.

Finally, Natixis Asset Management Finance (hereafter “**NAMFI**”), which provides the services of receiving and transmitting orders, as well as those of temporary purchases and sales of securities, will no longer provide these services for DNCA Finance.

As such, DNCA Finance will be dealing with such matters directly and will no longer be able to guarantee the expected proportions of temporary purchases and sales of securities. This obligation is henceforth removed from the legal documentation.

The legal documentation for the Fund (Key Investor Information Document (KIID) and prospectus), detailing all of its characteristics, is available from Natixis Investment Managers International, at www.im.natixis.com and in hardcopy form at the office of the German Paying and Information Agent (CACEIS Bank, Germany Branch, Lilienthalallee 34 - 36, D-80939 Munich, Germany).
