

Enclosed you'll find information to help you complete your tax return. You may find the Frequently Asked Questions below and the Special Information on page two particularly helpful.

If you had taxable distributions of \$10 or more from any of your funds, a **Form 1099-DIV** is included in this package. (The IRS does not require reporting of dividends and capital gain distributions that total less than \$10.) If you sold or exchanged shares this year, a **Form 1099-B** is included in this package. You will not receive a 1099-B for any redemption that was less than \$20, less than a share, and had no withholding. A **Form 1099-R** is enclosed if you have taken distributions in the past year from pensions, retirement or profit sharing plans, or IRAs invested in Natixis Funds.

Make sure your Social Security number or tax identification number is correct on your tax form(s). If this number is incorrect or missing, you need to complete a Form W-9. Without a proper Form W-9 on file, the IRS may require Natixis Funds to withhold 28% of your earnings. Call Natixis Funds or your local IRS office to request a W-9.

If you have any questions about your Natixis Funds account, please visit our website at im.natixis.com, or call us at 800-225-5478, Monday through Friday, 8:00 a.m. to 6:00 p.m. Eastern time. If you need tax advice, be sure to contact a qualified tax professional.

FREQUENTLY ASKED QUESTIONS

Q. Why does the amount of income on my year-end statement differ from the amount on my Form 1099-DIV?

A. Dividend and capital gains distributions are sometimes reclassified after year-end to properly reflect the fund's actual earnings. If this occurs, the information on your year-end statement will differ from the figures reported on your Form 1099-DIV. **For tax reporting purposes, use the amount shown on your Form 1099-DIV.**

Q. Why are the dividend and capital gains distributions from my IRAs excluded from Form 1099-DIV?

A. Funds you hold in a retirement account, such as an IRA, are not listed on Form 1099-DIV because you do not need to report those earnings until they are withdrawn. If you have withdrawn from your Natixis Funds IRA plan, a **Form 1099-R** is enclosed.

Q. What is a foreign tax credit or deduction?

A. When a mutual fund invests in securities outside of the United States, it may be required to pay foreign taxes. In order to avoid double taxation, shareholders may be eligible to claim a foreign tax credit or deduction. If your fund qualified to pass through any foreign taxes, it is reported on your Form 1099-DIV. Please consult with your tax advisor for more information.

Q. What are the IRS Cost Basis Regulations?

A. Shares purchased before January 1, 2012 (“non-covered shares”) use the *average cost single category* method. Shares purchased after January 1, 2012 are referred to by the IRS as “covered shares.” Cost basis for covered shares sold in this year will be reflected on your Form 1099-B, and we will report the cost basis to the IRS according to the method you chose.

We report cost basis information to both you and the IRS on the enclosed Form 1099-B. You will notice that the form is separated into sections. These sections are based on whether the shares you sold were held long- or short-term, and whether or not we are reporting the cost basis information to the IRS. What this means is that when you sell shares, the redemption could be separated into multiple sections on the 1099-B depending on the age of the shares that were sold.

Q. What is Form 5498 and why is it sent in May after tax returns are filed?

A. Form 5498 reports gross contributions to IRAs, including rollover contributions made during 2021 and regular 2021 contributions made through April 15, 2022. For this reason, we don't send this form until May. If you have multiple funds in an IRA, they will appear on one Form 5498. The form is for your records only and *does not need to be filed* with your tax return.

Taxability of capital gains in your state

The information below indicates the taxation by states and the District of Columbia of long-term gains distributions made by regulated investment companies, based upon the latest information furnished by the Investment Company Institute.

- Capital gains distributions accepted in either cash or additional fund shares are taxed at a more favorable rate than ordinary income by the following states:
Arizona, Arkansas, Colorado, Hawaii, Louisiana, Massachusetts, Montana, North Dakota, South Carolina, Utah, Vermont and Wisconsin.
- Capital gains distributions accepted in either cash or additional fund shares are *not taxed* by the following states:
Alaska, Florida, Nevada, New Hampshire, South Dakota, Texas, Washington and Wyoming.
- All other states and the District of Columbia tax capital gains distributions as ordinary income.

We suggest that you consult your tax advisor about the current tax status of distributions in your state.

Special information

Here are some things to keep in mind as you review your tax forms.

- The AlphaSimplex Multi-Asset Fund was liquidated on January 14, 2021.
- The enclosed 1099-DIV and 1099-B forms do not reflect 2021 distributions for the AEW Global Focused Real Estate Fund. The Fund has filed with the Internal Revenue Service for a 30-day extension to mail these tax forms to shareholders. Therefore, separate forms will mail in late February. If you are a shareholder of the AEW Global Focused Real Estate Fund, consult with your tax professional as to how this may impact the filing of your tax return.
